8 30 EXPLANATION

8 31 This bill supplements appropriations made for the fiscal
8 32 year beginning July 1, 2002. The bill is organized into
8 33 divisions based upon the state agency receiving the
8 34 appropriations. Except as otherwise indicated, the
8 35 supplemental appropriations are made from the general fund of
9 1 the state.

9 2 Division I makes supplemental appropriations to the
9 3 department of human services for purposes of child and family
9 4 services, the state mental health institute at Mt. Pleasant,
9 5 and the state resource centers. The bill also narrows
9 6 language relating to an infrastructure appropriation made for
9 7 construction of an alternative services girls treatment
9 8 center.

9 9 Division II makes supplemental appropriations to the
9 10 department of corrections. Language requiring per diem
9 11 reimbursements from the United States marshal's service to be
9 12 deposited into the general fund is amended to provide that the
9 13 department may retain moneys received over \$3.35 million and
9 14 to reference inmates from the federal bureau of prisons.
9 15 Supplemental appropriations are provided for each correctional
9 16 facility, general administration, and certain community-based
9 17 corrections districts.

9 18 Division III makes a supplemental appropriation to the
9 19 state public defender and allocates the appropriation for

9 20 court-appointed attorneys for indigent adults and juveniles.
9 21 Division IV makes supplemental appropriations for these
9 22 divisions of the department of public safety: administration,
9 23 criminal investigation, narcotics enforcement, state fire
9 24 marshal, and Iowa state patrol.
9 25 Division V makes a supplemental appropriation to the
9 26 department of education for the public broadcasting division
9 27 to be used to match a grant for the completion of certain low-
9 28 power digital transmission facilities.
9 29 Division VI provides that the bill takes effect upon
9 30 enactment. An applicability provision provides that the
9 31 bill's appropriation increases and appropriation are made
9 32 after applying the across-the-board reductions to the
9 33 appropriations made from the general fund of the state to the
9 34 executive branch pursuant to law enacted during the 2002
9 35 Second Extraordinary Session. The bill states that across-
10 1 the-board reductions and other requirements of that law do not
10 2 apply to the appropriation increases and appropriation made in
10 3 the bill.
